Yes, United Tribes of Bristol Bay, Nondalton, Courtney Gomez @ BBNA and I believe BB United when they met with Dennis. My assumption is that many people are talking to each other and so we may not get calls from everyone.

Hi Dennis, Are you comfortable narrowing the possible time window for public hearings in Bristol Bay? It would facilitate folks planning their summers. We have not received many inquiries. We could perhaps say if we proceed it would be no sooner than August.

She was wanting to know about our schedule and potential times we would be holding meetings in the communities. She wanted to plan her leave for the summer. I told her I couldn't get her a schedule yet since we were not there yet and still within the "15 day" process - but as soon as we had something concrete to share we would be sure to notify the tribal governments, communities, and other stakeholders. I referred her to the fact sheet on the website. She said that people are guessing July.

People plan their summer calendars pretty tight in Alaska and so the sooner we can estimate if and when meetings might occur and share this with people the better.

Thanks! Tami
